

NEW PIEDMONT DIVISION

MODEL RR DIORAMA CONTEST

This will be a modeling contest to encourage members to start modeling in 2025. There are just a few basic rules. You can start the building now and we will have judging on September 9th, 2025 Piedmont Division meeting. You will also need to share your diorama for about a minute what you built.

This is a modeling contest but not part of the AP. Judging will be done by 3 members in the division.

We encourage you to be very creative and this is about the quality of overall modeling skills. Waters scenes, bridges, trees, details, signals, figures, structures, backdrops and weathering. Will it look real? Have some fun and give it a try. This is for all members to participate in.

There will be 1st, 2nd & 3rd place prizes for winners. They will be announced at the September 9th meeting at the end.
